

**ACKNOWLEDGEMENT OF MY ROLE AND RESPONSIBILITY
IN CREATING A LEARNING ENVIRONMENT IN ENGLISH I**

By signing below, I acknowledge that:

I fully understand the expectation of Mr. Lee and Ms. Brannon in regards to the learning environment in Room 101, including silent journal time, the procedure for gaining attention, the use of the Talk Meter to control the environment, break rules, and the use of signals—hand signal, verbal warning, yellow card, and red card—as a means of maintaining an environment supportive of learning.

I fully understand all *Course Book* pages that deal with classroom procedures and expected behavior in the classroom. I agree to conduct myself in a manner that supports the learning environment in Room 101. Since I fully understand the expectations and my responsibilities for meeting them, I agree to accept without argument the consequences for my behavior that disrupts the classroom.
